PREMIER GOLD WATCH.

This cut does not rep-
resent the cheap \$3 or \$5
composition watch so
widely advertised of late.
It is the Premier Gold
Filled Case, specially
adapted to the ADVOCATE
trade. The Premier is
not worth \$100 nor \$50,
but is such as most dea-
lers sell at \$20 or \$25.
It is a very handsome
case, and the buyer can
choose the Waltham, El-
gin, Hampden, Columbus
or Springfield stem-wind
and stem-set movement.
These watches look like
gold watches, and to all
outward appearances re-
semble a solid gold watch worth \$150 or \$200.
The outside of the watch is gold, but under-
neath is alloy. The warranty is that the gold
will not wear through inside of five years, and
with good care will last a life time. The guar-
anty on which we buy them is:
"We guarantee to take back any defective or
unsatisfactory case during any period within
five years."

OUR OFFER: The ADVOCATE one year
and the Premier Gold
Filled Hunting Case Watch (either ladies or
men's) for \$10.00. The watch alone \$9.50.
Express charges (25 cents in the United States)
to be paid on receipt of watch; or
A CLUB Of twenty-five yearly subscrib-
ers to the ADVOCATE and \$25 in
cash will get you the watch free.
We do not care to sell the watch, except to
our subscribers, or the getter-up of a club.

The Kansas City Stock Yards

Are the most complete and commodious in the West and second largest in the world. Higher
prices are realized here than further east. This is due to the fact that stock marketed here is in
better condition and has less shrinkage, having been shipped a shorter distance; and also to there
being located at these yards eight packing houses, with an aggregate capacity of 9,000 cattle,
40,000 hogs and 4,000 sheep. There are in regular attendance sharp, competitive buyers for the
packing houses of Chicago, Omaha, St. Louis, Indianapolis, Cincinnati, New York and Boston. All
the eighteen railroads running into Kansas City have direct connection with the yards.
